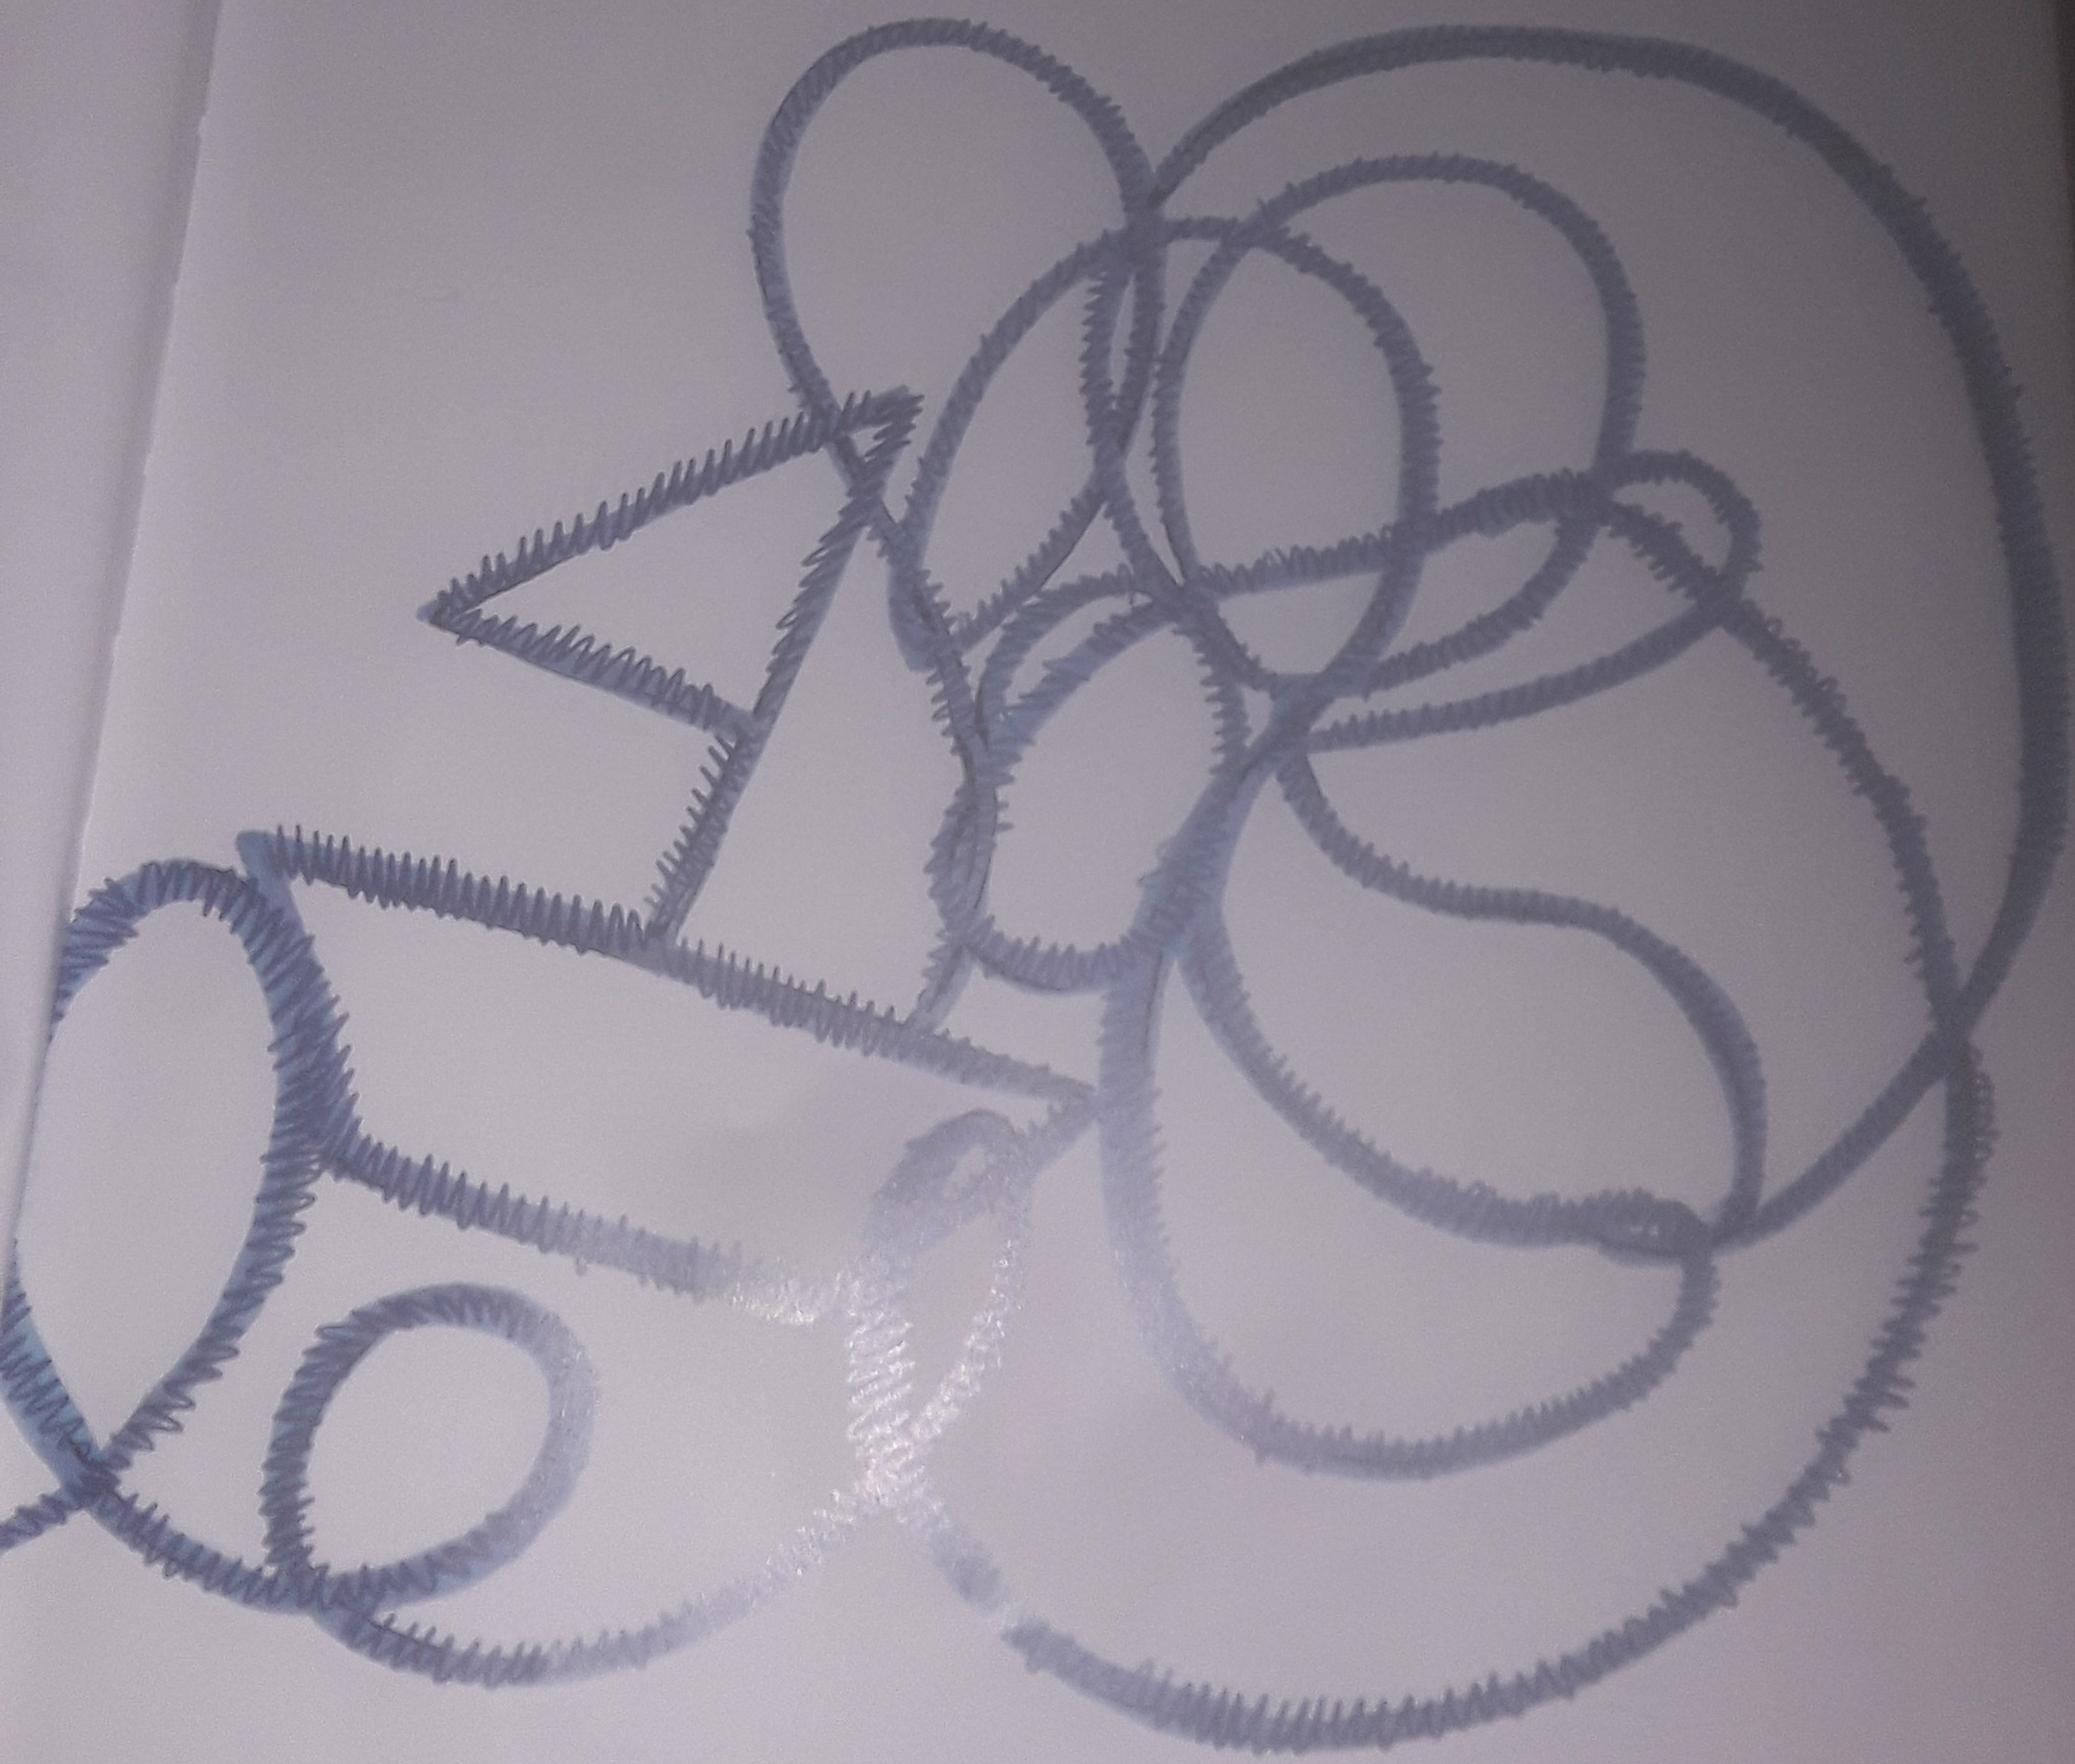
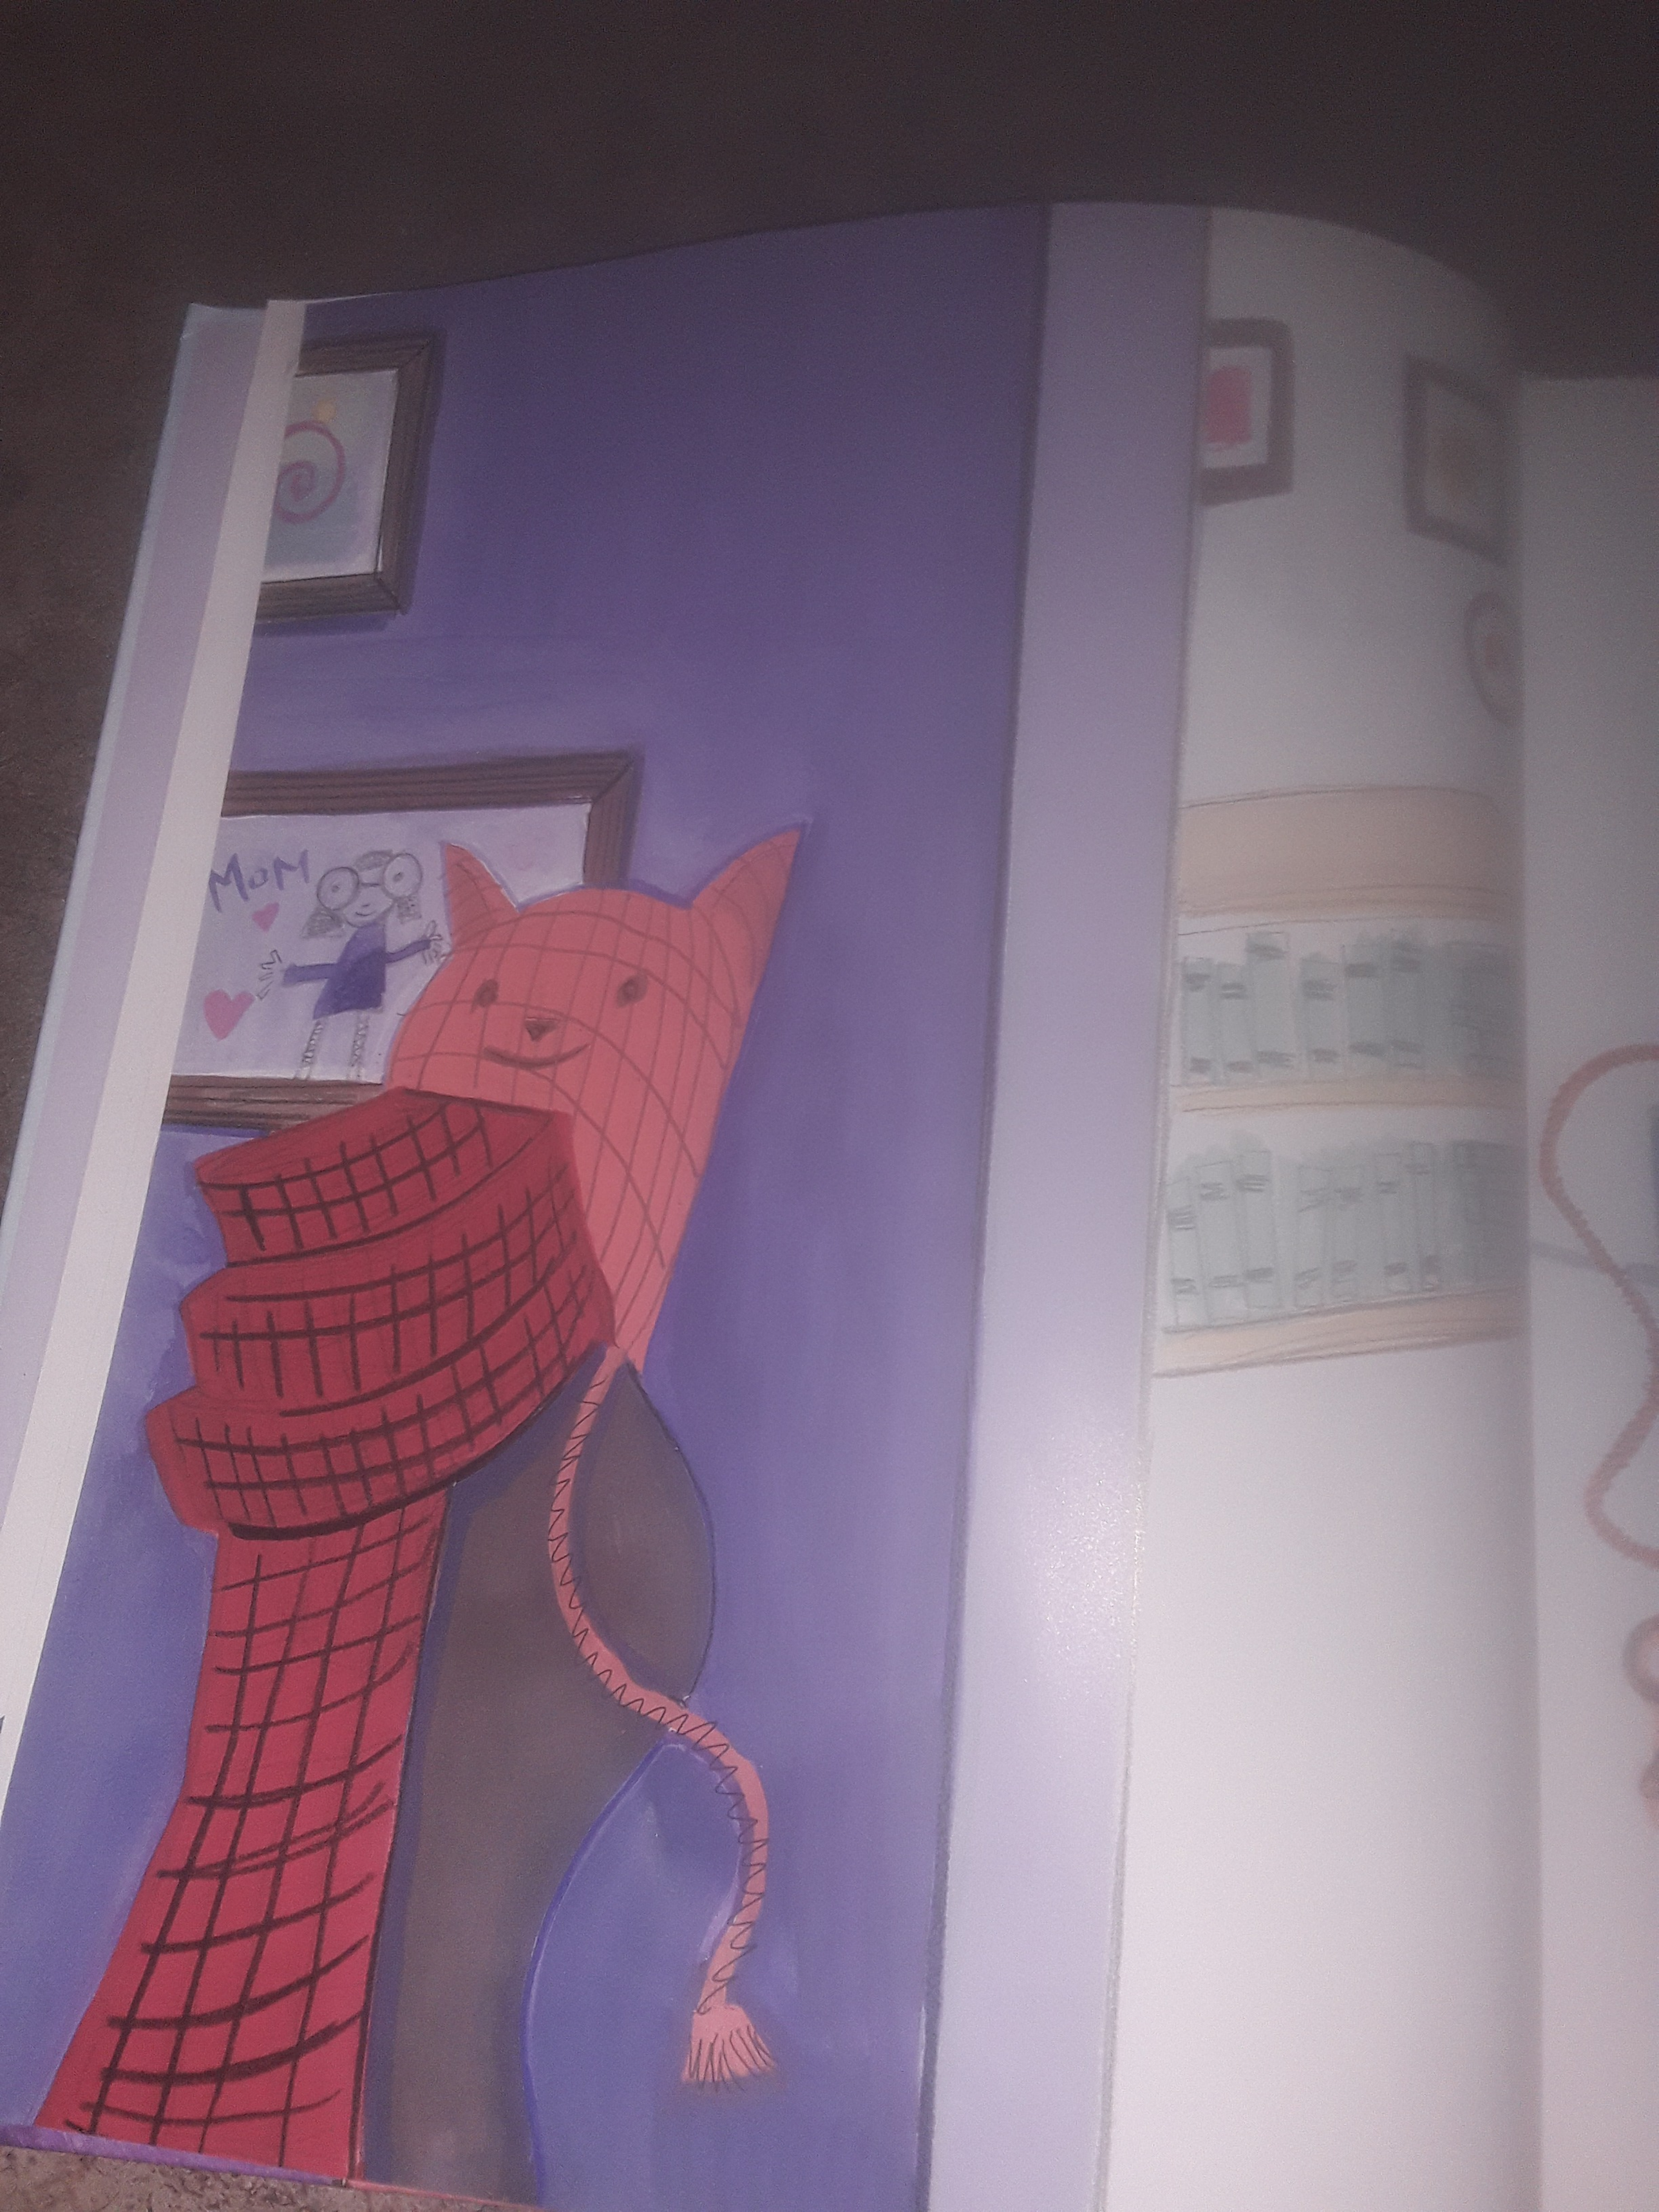
To Mom



This is me.
I love to draw.



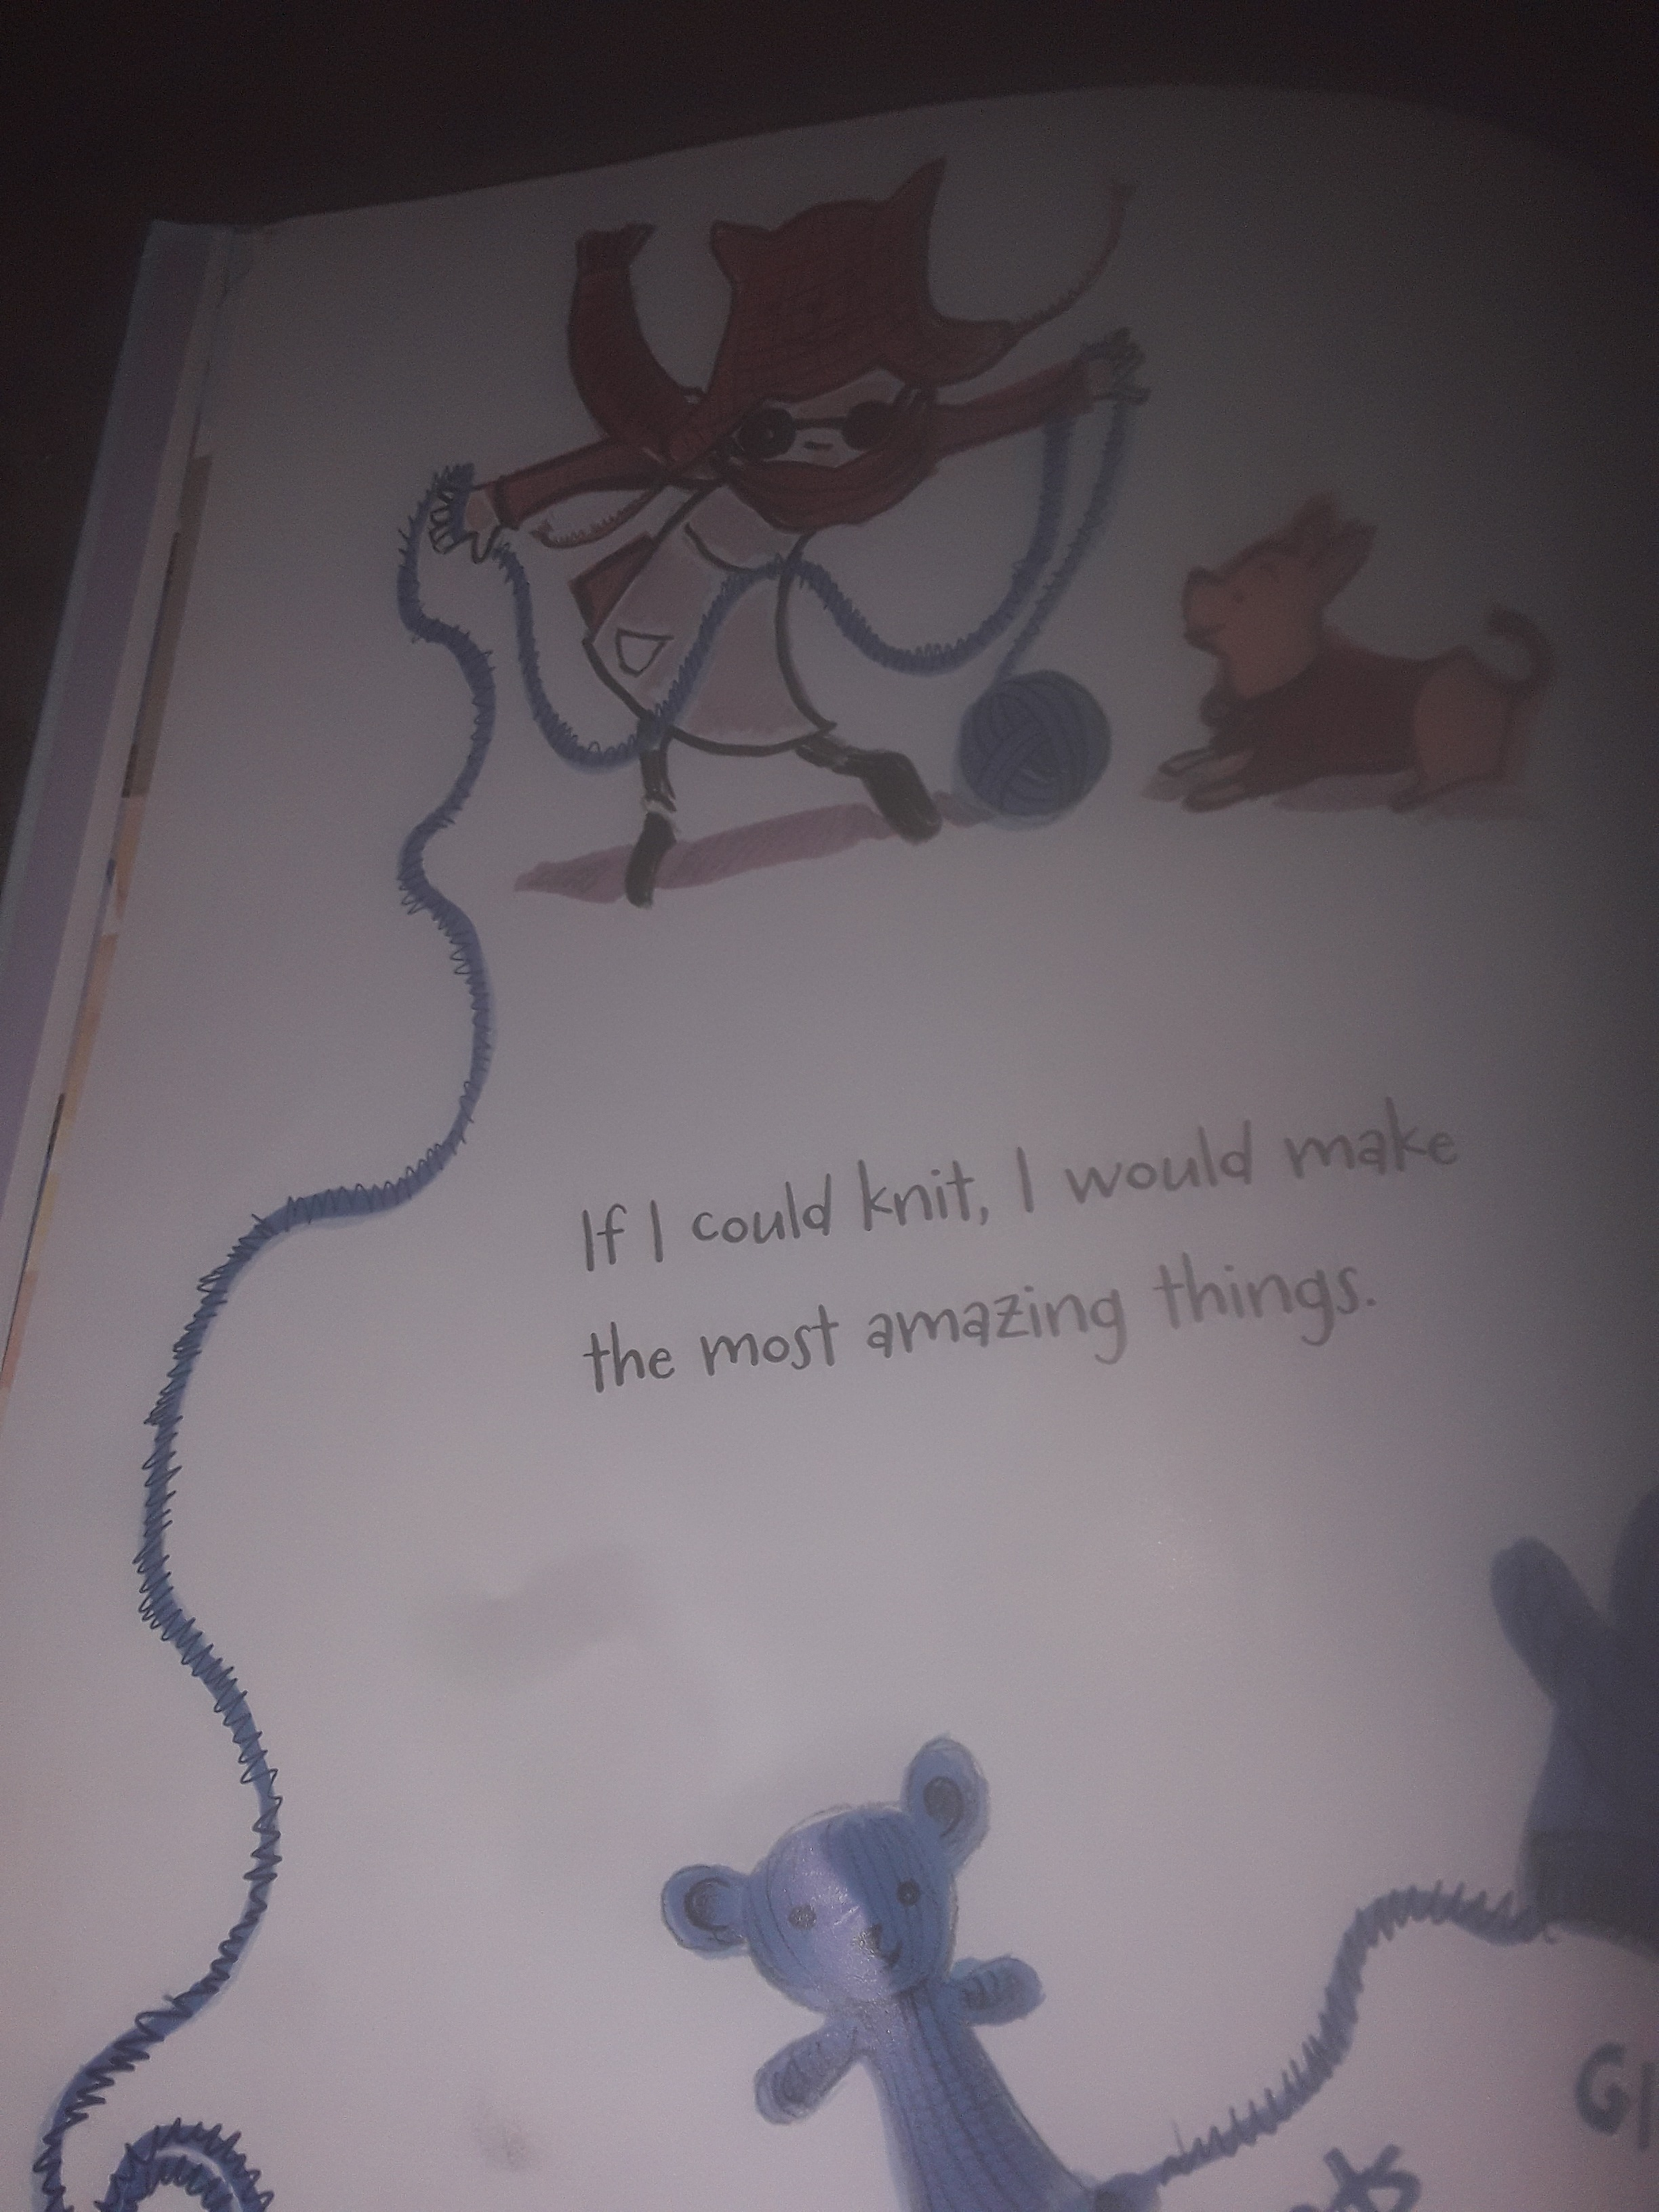
MoM

Mom doesn't draw. Mom knits.

I think knitting is much better than drawing.

Why?

Because you can wear it!



If I could knit, I would make
the most amazing things.

Finger Puppet Gloves

I ask Mom to show me.

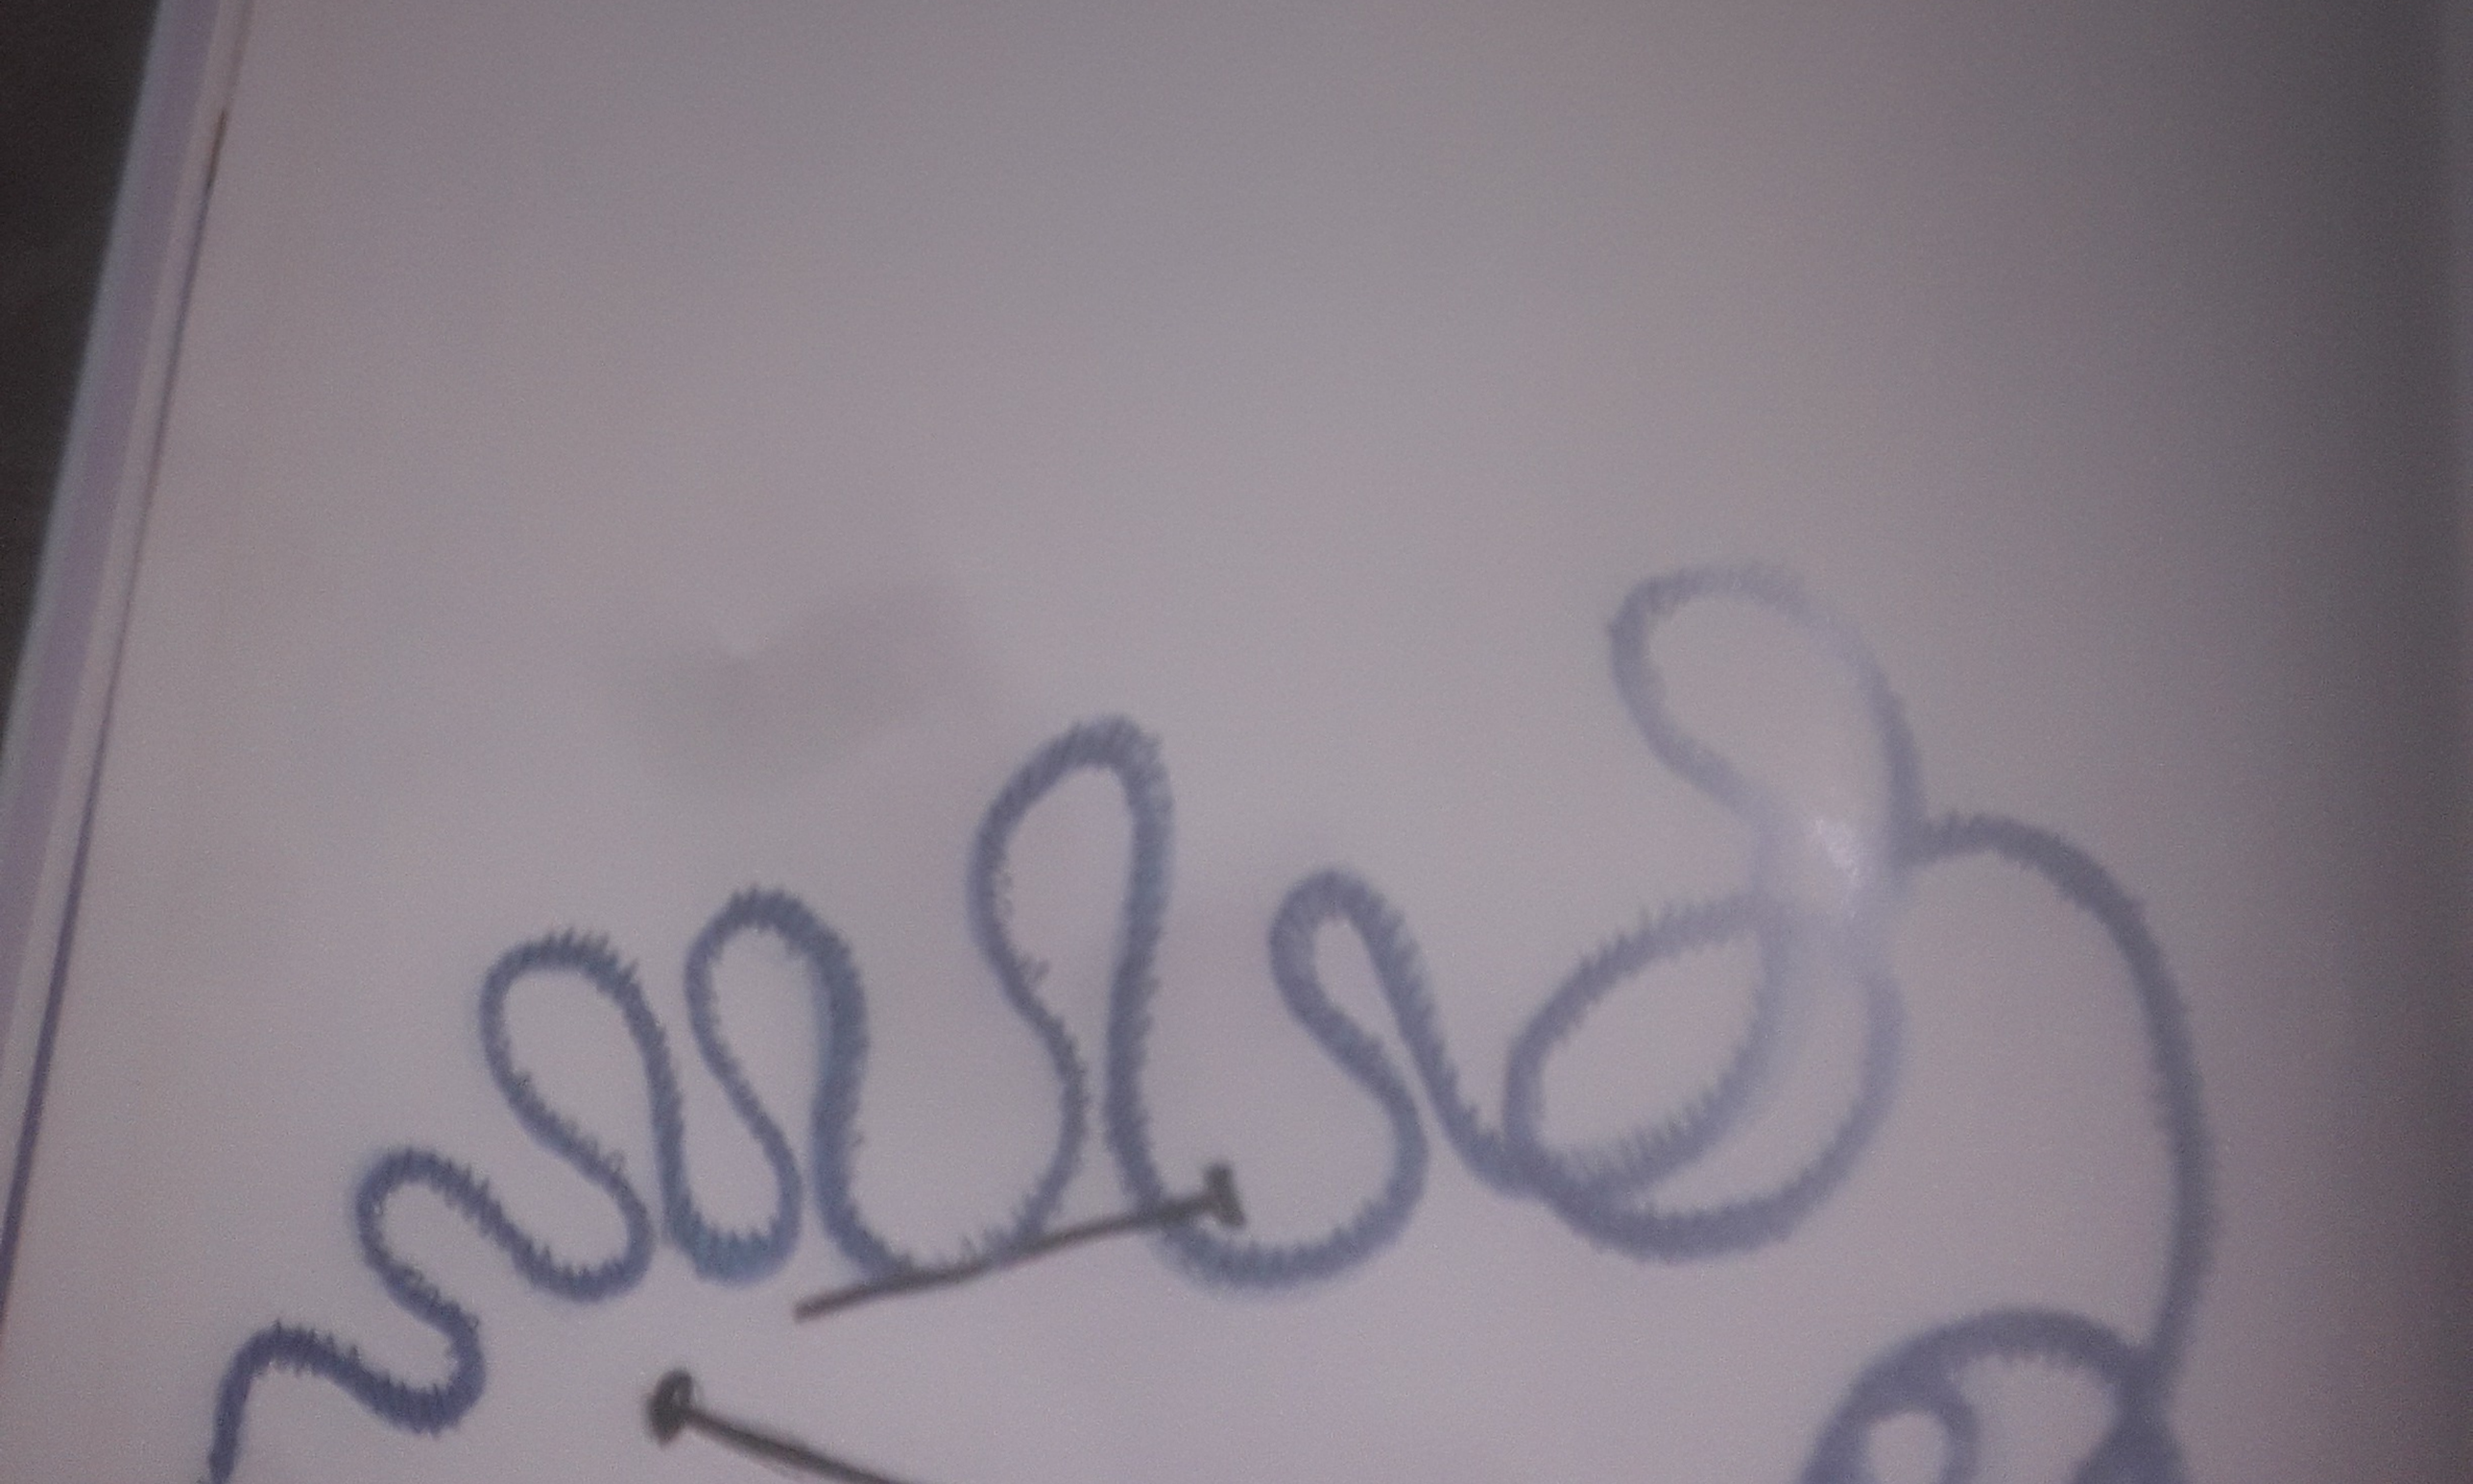
But . . .

it's not

as easy

as it looks.

Hmph.



Mom says it's okay.

She says I help her . . .

by inspe

my own spee

And then we come up
with the best idea.

in

y.

A collaboration!

We'll make something together.

But first, it's inspiration time.

I try not to think too hard
about what I will draw.

Mom says sometimes the best ideas
come when your brain is resting.

And then I get to see

There are slow ones

and squiggles,

and knots,

but then I have it!

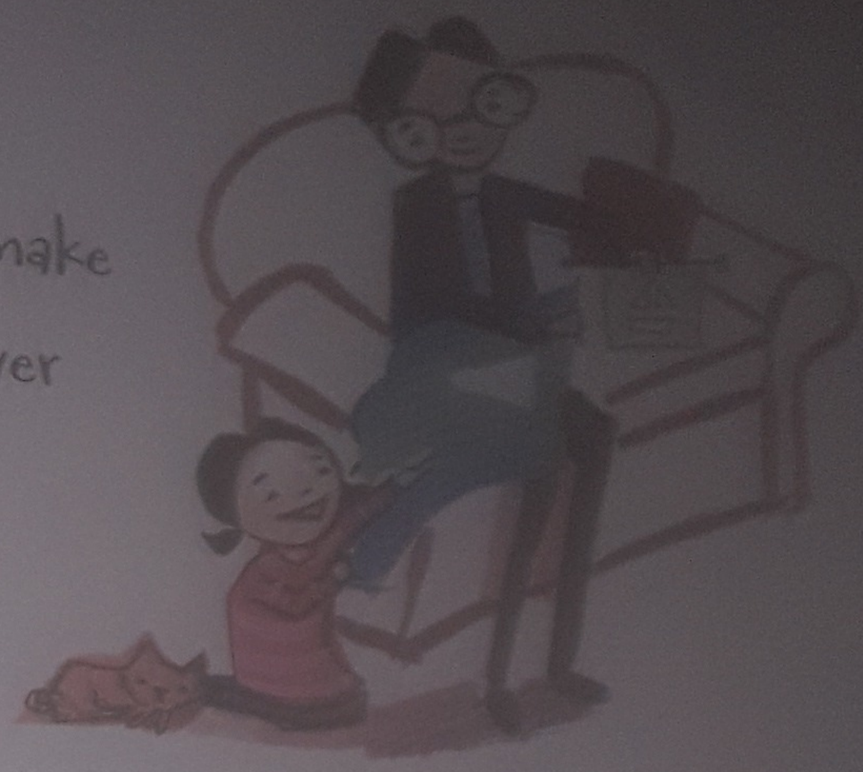
We're ready.

Together, we gather our supplies.

We talk about our project.

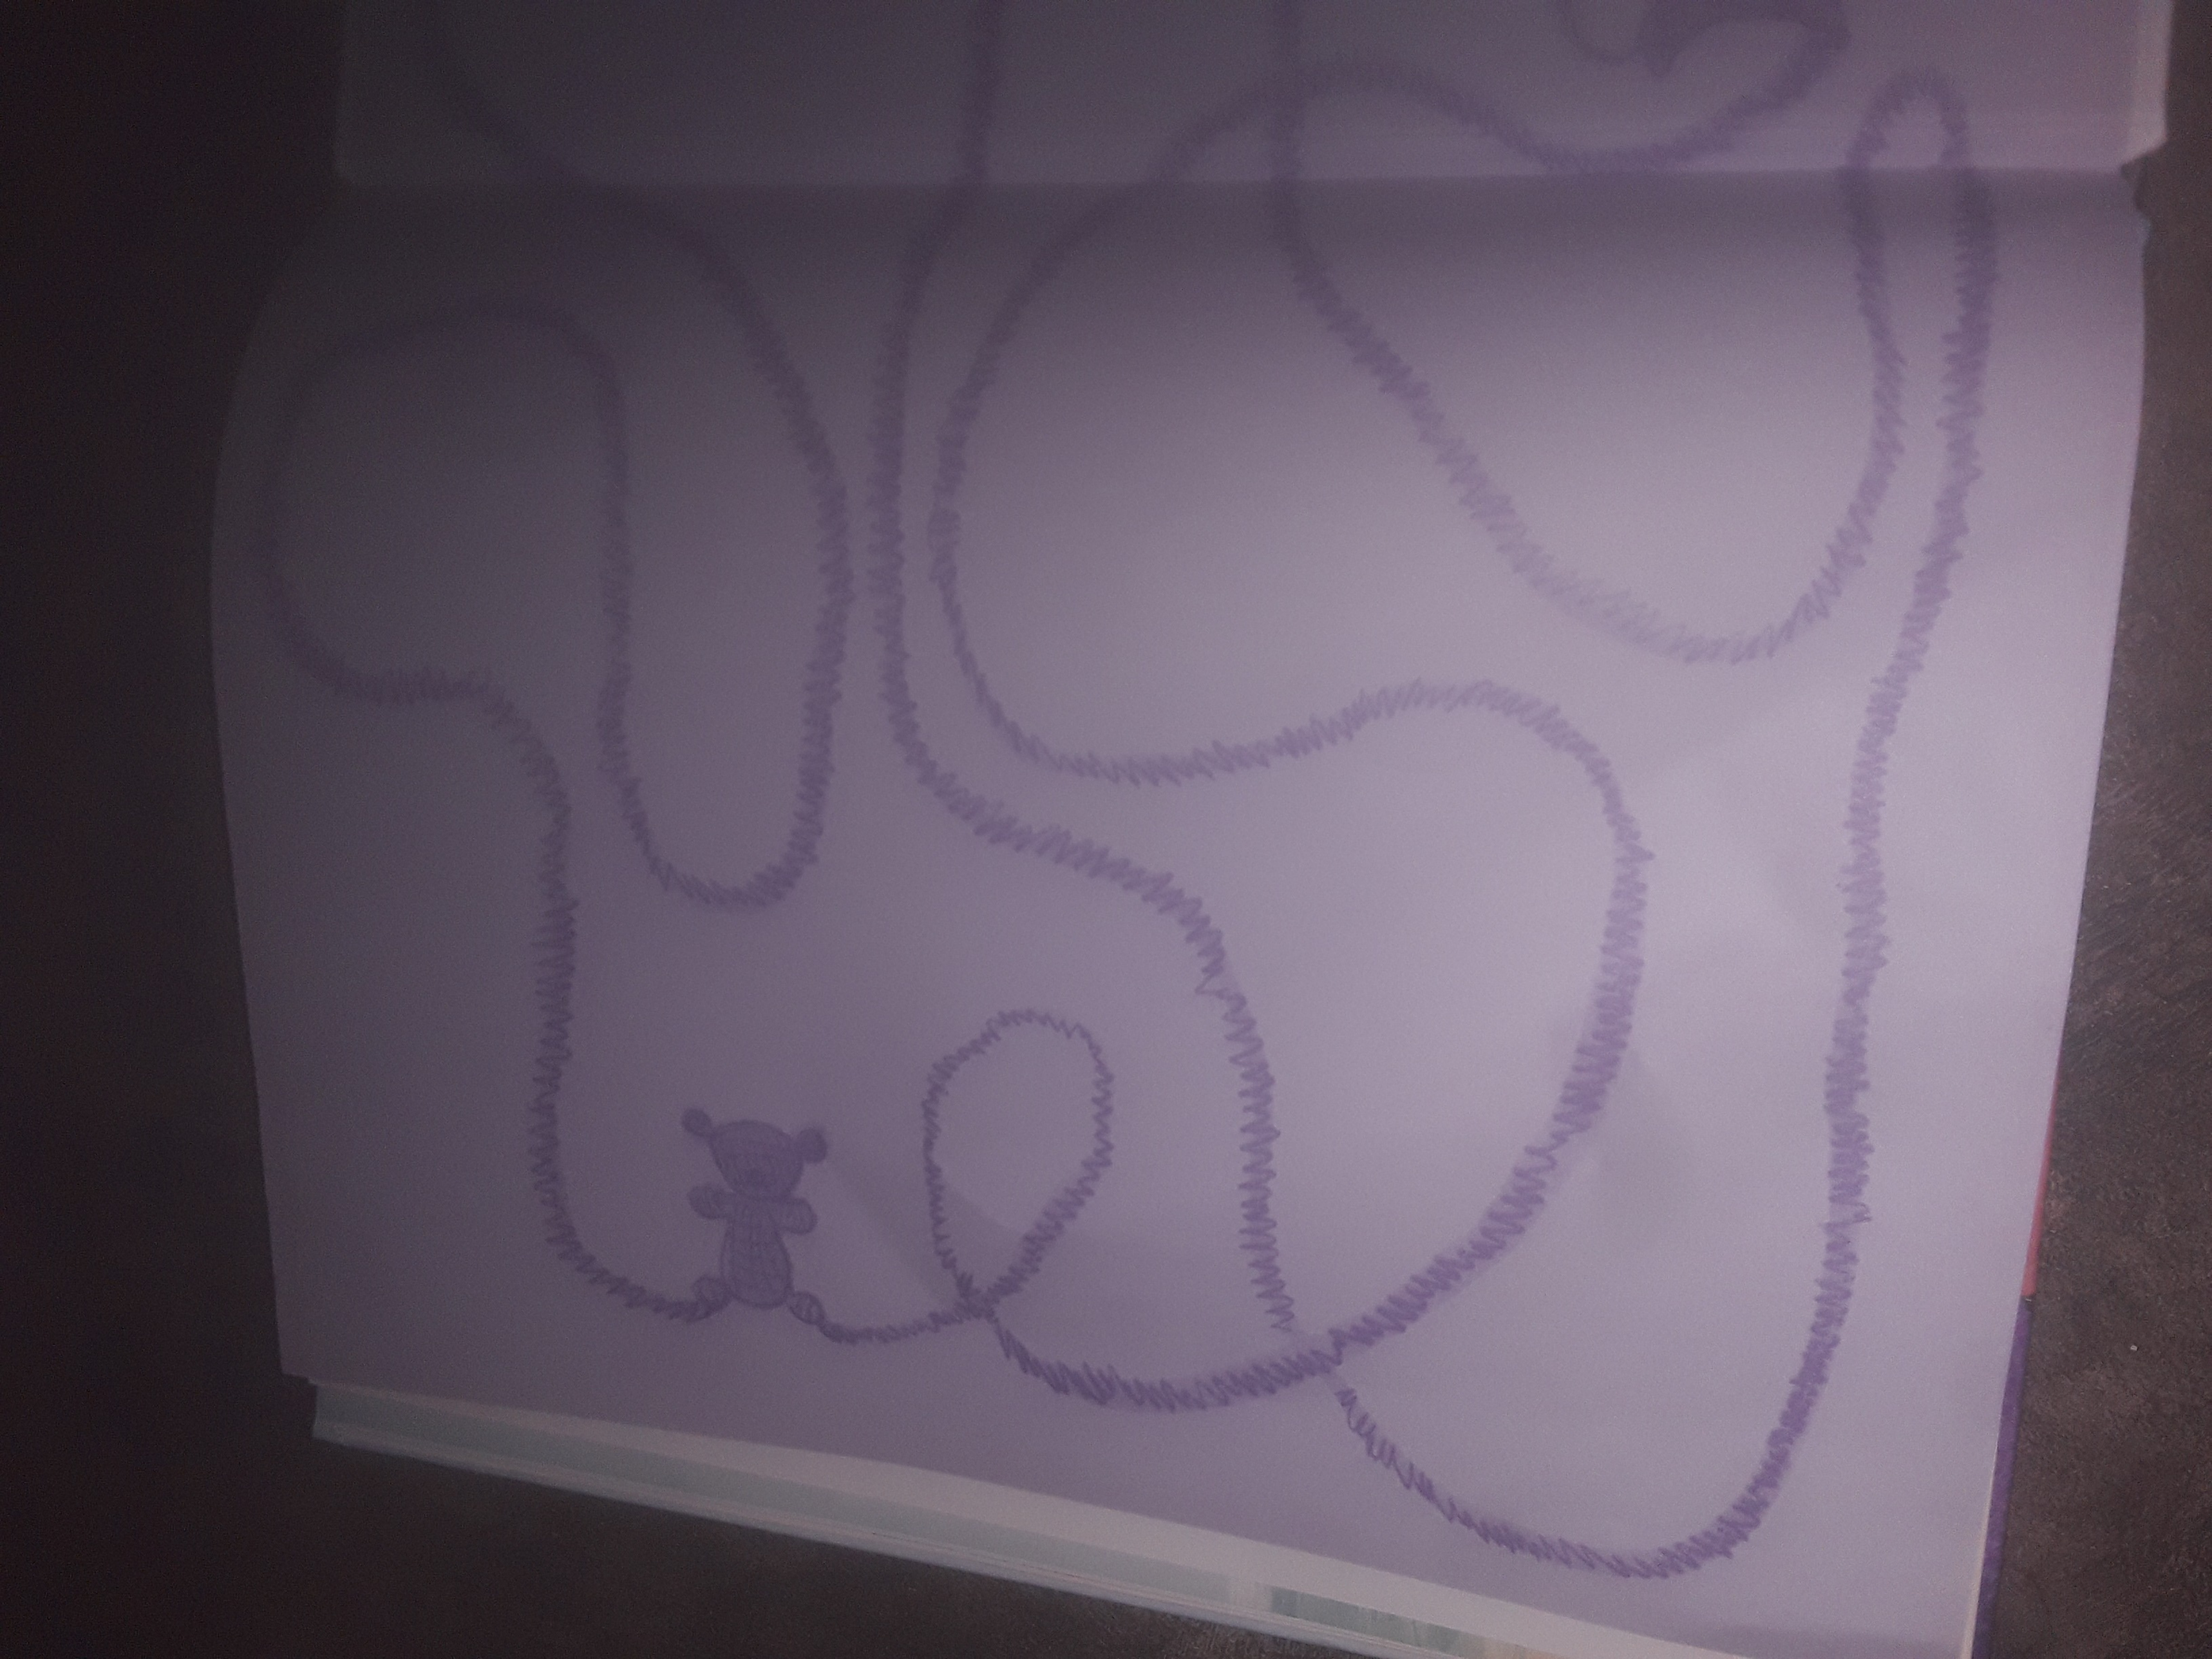
gather
pplies.

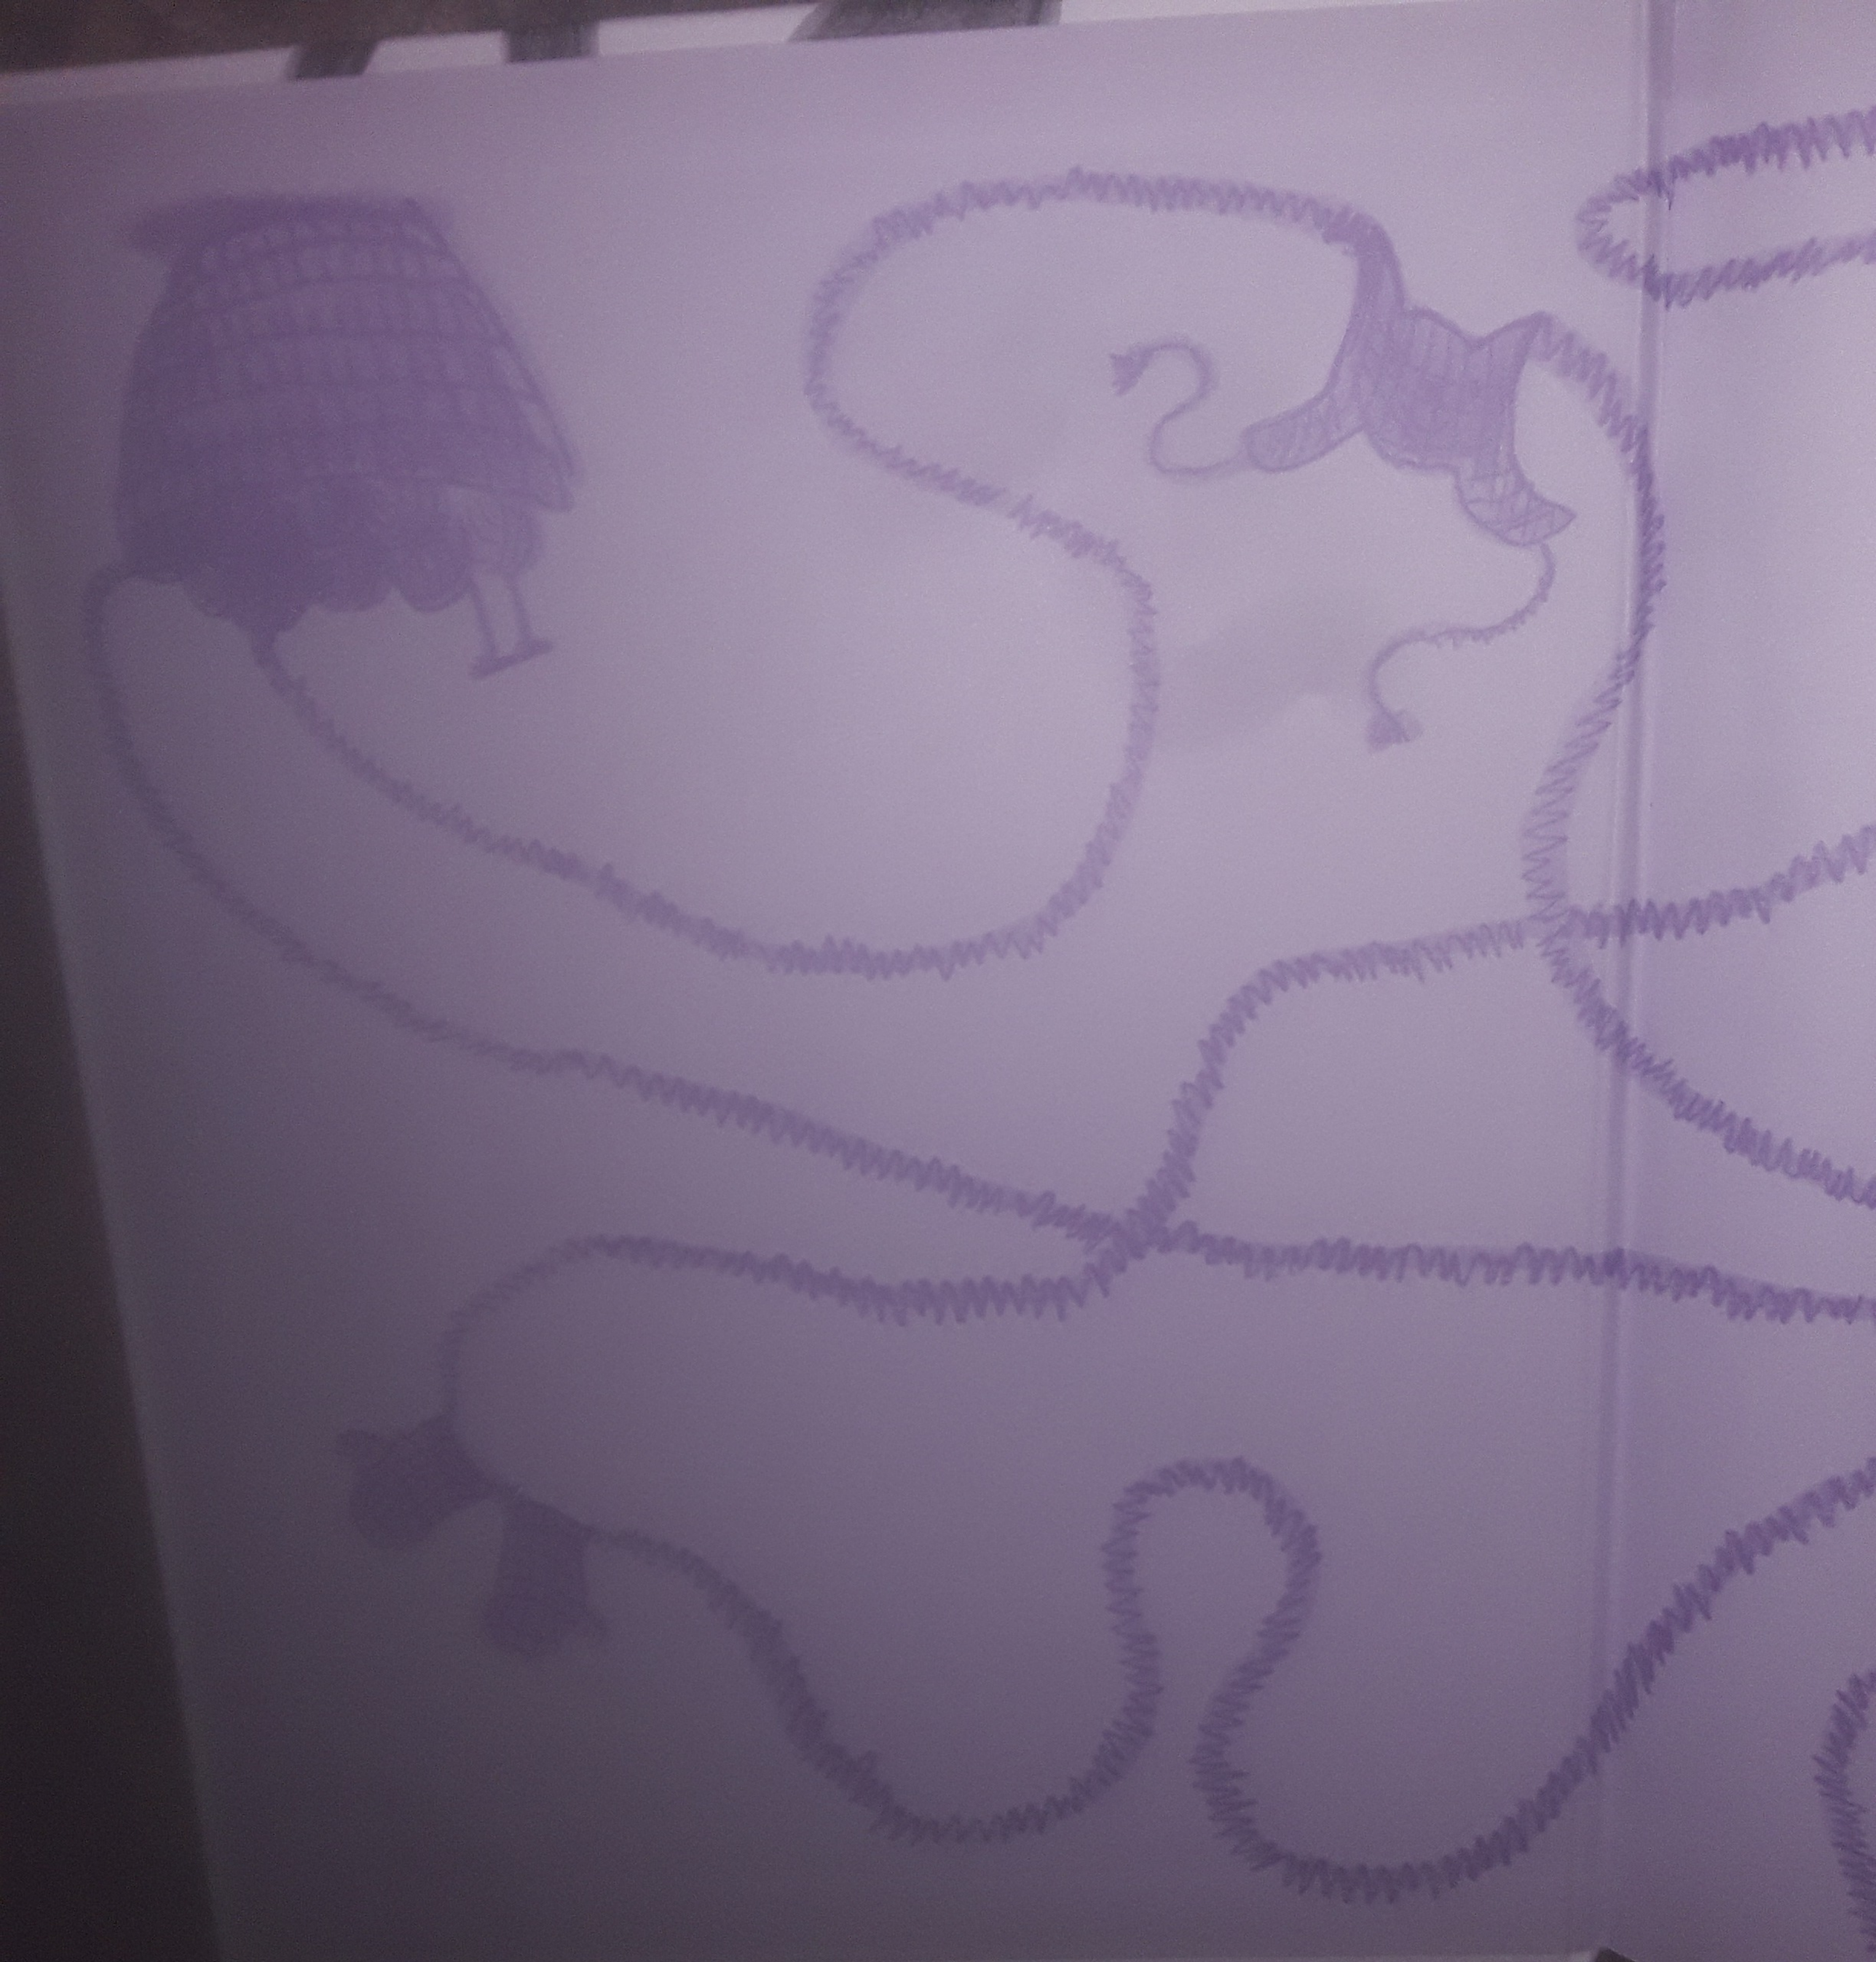
And then we work to make
something we could never
have made alone.



It's a drawing we can wear.

Together.





A little girl who loves to draw but can't knit,
and her mom, who loves to knit but can't draw,
work TOGETHER on a very special project.
